a) Realia   : clocks, food items, calendars, plastic fruits
b) Flash cards   : pictures, words, and signs
c. Cuisenaire rods   : to teach word order in sentences
d) Tape recorder   : Visual aid

7. Read the following two statements about assessment.
x)Portfolio assessment and Self-assessment are examples of alternative assessment
y) Student-designed test is an example of traditional assessment.
a) Only x is correct
b) Only y is correct
c) Both x and y are correct
d) Neither x nor y is correct

8. The main benefit of Self-assessment is ....
a) Diminished intimidation
b) Accuracy check
c) Scaffolded assessment
d) Integrity check

9. Voice recognition software is an example of ....for learners with special needs.
a) Associate Technology
b) Alternative Technology
c) Altruistic Technology
d)Assistive Technology

10)Blends are also called .... words.
a)Content
b) Function
c) Portmanteau
d) Compound

11. Ethnomethodology refers to..............
a) the scientific description of the customs of individual peoples
b)sociological analysis that examines how individuals use everyday conversation and gestures to construct a common-sense view of the world
c) the art of recording the direction and force of the wind
d) the examination of learning methodologies across the world

12. CALL stands for ....
a) Computer Ability in Language Learning
b) Computer Assisted Language Learning
c) Computer Assisted Lab Lesson
d) Computer Aided Linguistic Learner

13............... enables text, images, sound and video to be combined in one device.
a)OHP
b)Multimedia
c) Epidiascope

d)Slide Projector

14. Studies have shown that the greatest anxiety in language learning is the one related to negative experiences in …………. activities.
a)listening
b)speaking
c)reading
d)writing

15. According to Krashen, a learner who has generally negative attitudes towards learning English will have a ………. affective filter.
a)low
b)high
c)medium
d)limited

16. Students can construct additional knowledge through writing…….
a)song lyrics
b) travelogues
c) diaries
d) a, b and c are correct

17. According to acquisition learning hypothesis acquisition is……………
a)learning
b) picking up
c) noticing
d) assuming

18. …………..is Chomsky's most famous argument.
a) Poverty of Stimulus
b) Poverty of Response
c) Poverty of Motivation
d) Poverty of Reinforcement

19. The main advantage of activity-based learning is that ………….
a) children become active participants
b) teachers become active participants
c) children become passive recipients
d) teachers become passive recipients

20. What kind of learning disability is characterized by difficulties with the alphabet, word recognition, decoding, spelling, and comprehension ?
a) Dyslexia
b) Dysgraphia
c) Dyscalculia
d) Dysorthographia

21. Give one word for 'to slide smoothly across a surface'.
a)Shatter
b)Twitter
c)Wager
d)Slither

22. Which is a 3-D aid for teaching?
a)Chart
b)Graph
c)Globe
d)Map

23. In Bloom's Taxonomy, concluding, criticizing, prioritizing, and recommending are behaviours related to......................
a)Creativity
b)Application
c)Evaluation
d) Synthesis

24. One of the following is not a 'content word'. Which is it?
a) in
b) prosper
c) skip
d) heat

25. A learner says: "I focus on language, I use to make sure it is correct". The learning strategy used is.....
a) memorizing
b)self-monitoring
c)revising
d) rote learning

26. According to research findings, which of the following is the most suitable strategy for second language instruction?
a) Using Roget's Thesaurus for instruction
b) Teaching the Phonetic Script
c) Using an informed policy of error correction
d) Making learners byheart all the rules of Grammar

27.According to research findings, which of the following is not directly related to Second Language acquisition?
a)nature of input provided to learners
b)how learners process a given input

a) Writes advertising and marketing pieces.
b) Persuades people to think of a product.
c) Shares their learning reflections in an open format.
d) The words they write (their "copy") sell things to people.

42. Read the following statements and identify which of the following is true of Programmed Instruction?
x) It has the provision for continuous evaluation.
y) Works on the assumption that one learns better when one is neglected occasionally.

a)Only x is true
b)Only y and is true
c)Neither x or y is true
d)Both x and y are true

43.Read the following statements and identify which of the following is true of Computer Assisted Instruction.
x) Is an interactive instructional technique whereby a computer is used to present the instructional material and monitor the learning.
y) Uses a combination of text, graphics, sound and video in enhancing the learning process.
z) CAI programs use tutorials, drill and practice, simulation, and problem solving approaches to present topics.
a)Only x and z is true
b)Only x is true
c)Only y is true
d) x, y and z are true

44. Find the odd one in the group.
a) Drop box
b)Internet forums
c)Discussion boards
d)Web forums

45.Neurolinguistic Programming and Mind Mapping are teaching concepts based on ....
a)Multiple Intelligence
b)Social Constructivism
c)Critical Pedagogy
d)Whole Brain Learning

46. Lower order questions make learners........................
a)Memorize and recall
b)Reason and think
c)Explain and state relationships
d)Compare and contrast

47. Which of the following is true of Remedial Teaching?
a)Employs tailor made teaching strategies for learner need
b)Involves teaching exclusively in the e-learning mode
c)Is conducted when all the students fail to get a distinction

d)Is mandatory when a new textbook is introduced

48. Which of the following is an advantage of e-Portfolio?
a)Possible to assess using technology
b)Can never be copied or stolen
c)Automatically gets a patent on creation
d)Once created is free for all Internet users

49. e-content in different subjects is being developed in India under the initiative......................
a)e-PG Pathasala
b)SMART Classroom
c)Operation Blackboard
d)TPACK

50. . ...is a management approach in which members participate in improving process, product, services, and the culture they work in.
a) ATM
b)TQM
c)LTM
d)STM
