

DEVIANT CASES

(Form for inclusion of marks in Any Time Information System)

Who should not use this form?

1. If all the mark lists available on-line are correct the candidate should not use this form.
2. If the student gets a message, "incorrect password or exam code," while trying to enter the site, this form is not relevant for him/her.

Who should use this application form?

If the student gets a half page message, asking whether he/she belongs to **deviant group** for which any one of the cases like malpractice OR delayed submission of internal marks or practical marks or grace marks OR correction of marks after announcement of results is relevant, he/she may fill up this form and hand over the same along with attested photocopies of the marks lists of that semester in which deviation occurred (for deviant semester on-line marks may be different from the marks issued to the candidate by Examination Wing). The copies of the mark lists to be handed over include the latest one bearing the GPA of the semester. Updation of ATI system will be done only after final GPA of a semester is available.

If a student sees mismatch between on-line mark list and mark list issued from Examination Wing in more than one semester, the final mark lists of all the relevant semesters should be handed over (More than one application form may be used in this case).

1. Name of the Candidate :

2. Name of the Programme or Course
(*Eg. B Tech Civil Engg.*) :

3. Course / Programme Code
(*Eg. 401*) :

4. Candidate code :

5. Mobile number of candidate :

6. Reason cited in the Web Communication
or e-mail for withholding the On-line mark
list :

Semester in which mismatch of mark is found	Change in mark			GPA	Signature of Verifier
	Subject Code	Present Mark	Latest Mark		

Date:

Signature of Candidate
